MEMORANDUM FOR: The National Foreign Intelligence Council

SUBJECT : Implementation of Intelligence Disclosure Policy [redacted]

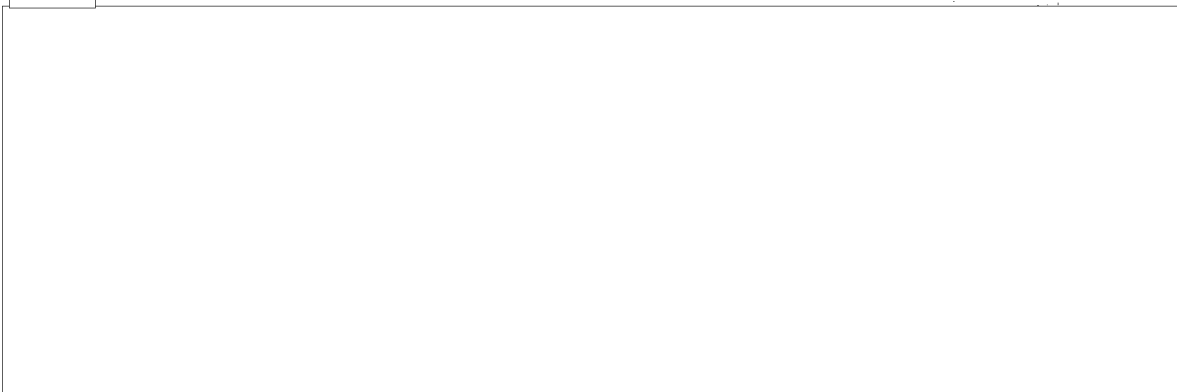

25X1

REFERENCE : DCI Directive on Intelligence Disclosure Policy,
Dated 25 May 1983 (attached)

1. Your assistance is requested for insuring prompt and effective implementation within your organization of the provisions of the recently issued DCI Directive on Intelligence Disclosure Policy (Ref.). The directive, which you reviewed in draft earlier this year, is the result of a year-long community study. The study was aimed at defining fundamental criteria and basic procedures that, among other things, would insure that US officials "speak with one voice" in intelligence disclosures.

3. The DCID on Intelligence Disclosure Policy identifies focal points within the Departments of State and Defense, and CIA, to facilitate the coordinating and recording process. Other organizations that anticipate a need to disclose intelligence to ☐ as defined in the DCID, should identify to the appropriate focal point a component that will serve as a central contact in carrying out the required coordination and recording. ☐
